Health Check – Informationen zu deiner Website

Moderator

Bego Mario Garde (@pixolin)

vor 7 Monate, 3 Wochen

Um dir bei Fragen zu deiner Website zu helfen, benötigen wir einige Informationen zu deiner WordPress-Installation. Schließlich möchten wir nicht nur *raten*, woran der Fehler liegen könnte. Besonders Einsteiger/Innen fühlen sich durch die Fülle an technischen Informationen aber oft überfordert und selbst für erfahrene Benutzer/Innen ist es zumindest mühsam, eine vollständige Übersicht aller benötigten Informationen zusammenzustellen.

Um dich bei der Überprüfung deiner Website und dem Sammeln aller erforderlichen Informationen zu unterstützen, hat das WordPress-Support-Team ein eigenes Plugin entwickelt, den [Health Check](#).
